

Be your own boss ... become a ...

CFO On-Call

to SME (smaller to mid-sized) businesses

Financial Controllers & CFOs - use your skills and earn *twice* the income of solo consulting!

Ever thought your skills and experience would be valuable to owners of smaller businesses? Want to get out of the rat-race, work your own hours, see your family more often and create a much better lifestyle?

On your own ... building a consulting business is not easy. You have to re-invent the wheel and start from scratch. When you join CFO On-Call you join a great group of like-minded colleagues, who willingly share their experiences and help. To get started and succeed long-term, you need the know-how, the resources and the marketing.

How do you get clients?

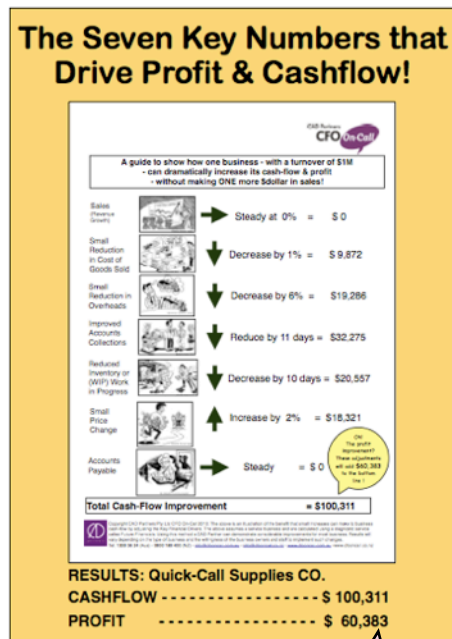

- Typically ... we have skilled webinar and telemarketing team that gets you in front appointments
- On-going we generate 100s of client enquiries from financial control educational workshops with industry groups, ANZ Bank and others
- Plus you get clients from our publicity in business and trade mags/blogs and sites. (See most issues of "MyBusiness"/"NZ Bus." mags.)
- You get a dedicated local "Buddy" to assist and advise
- You can create good income quickly if you have the drive

How does the Partnership work?

- We provide the back-office, marketing, appointments, support team, great colleagues, the tools, resources, forums and training
- You provide the skills, mind-set and determination
- We do the billing and share the income 80/20 to you

Do you have the skill-set and mind-set?

- You will need a management accounting background and well rounded commercial experience. Investment is \$35,100+GST. (Part-time Licences available also.)

Here's why clients love us. We show them how the 7 Key Numbers improve Profit & Cashflow ... without them making \$1 extra in sales! Ask for a copy the book ... "The Seven Key Numbers".
