

EXPRESSION OF INTEREST RE: CFO On-Call

Please print this document, complete and fax to 1300 36 24 37 (Aus.) or 0800 180 444 (NZ)

This expression of interest form is the first part of an application and is to provide initial background details in order to send you more information about CAD partners. At this point we would like to know a little of your (or practice) background, job description, qualifications to gauge potential suitability. You can be assured that all information herein will be treated in complete confidence, no calls will be made to employers or referees at this point and that NO outside parties will see this form. The next steps are by email: (1). For us to receive this Expression of Interest by fax or scanned and emailed. (2). We will call you (where practical) and email a Summary & Supporting Info Pack (29 pages). (3). Should you have a further interest we ask that you provide us with a current CV and any other background information you think we should know. (4). Subject to that we then invite you to meet with us (5). We seek references at a later point.
